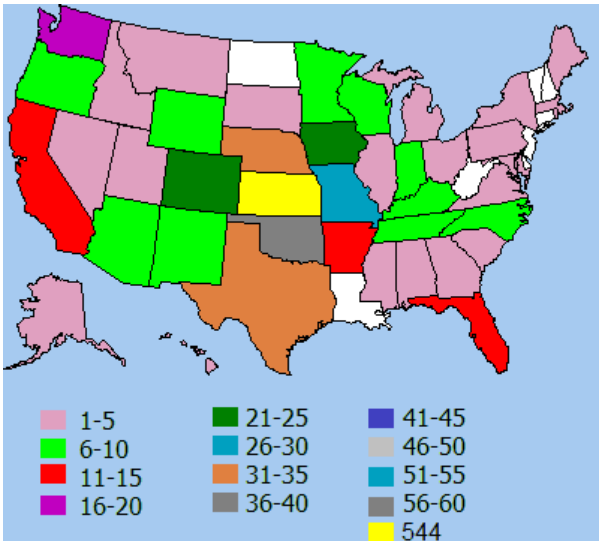
Characteristics of University of Kansas School of Medicine – Wichita Sponsored Family Medicine Residency Graduates

As of July 2013 a total of 983 family physicians had graduated from the three family medicine residency programs sponsored by KUSM-Wichita. Twelve graduates were deceased and four graduates were lost to follow-up. Nineteen graduates indicated they were retired, four were disabled and nine were inactive from medical practice. Nine practiced outside the U.S. The remaining 925 physicians are actively practicing medicine.

Number of KUSM-Wichita Residency Graduates In Each State



State	#	State	#	State	#	State	#
AL	4	IN	8	NC	5	SC	1
AR	13	KS	468	ND	1	SD	5
AZ	6	KY	6	NE	31	TN	5
CA	10	MA	3	NM	7	TX	27
CO	23	MD	3	NV	4	UT	5
DC	1	ME	1	NY	1	VA	3
FL	7	MI	2	OH	1	VT	1
GA	3	MN	4	OK	59	WA	18
IA	23	MO	53	OR	5	WI	10
ID	5	MS	1	PA	1	WY	8
IL	3	MT	4				

57% of the KUSM-Wichita sponsored family medicine residency program graduates practice in Kansas and 18% practice in contiguous states. There is a graduate practicing in nearly every state.

Of graduates practicing in Kansas, 44% are in Sedgwick County, 34% are in rural Kansas, 14% practice in mid-size communities (e.g. Hays, Salina, Hutchinson, Manhattan, Pittsburg, etc.) and 7% practice in the Kansas City/Topeka corridor.
