**Pumpkin season**

Trick-or-treat! It’s time once again for Halloween fun with pumpkins and Park.

At 1:30 p.m. Wednesday, Oct. 31, about 60 students from Park Elementary will be on campus for the annual trick-or-treating event. Along with this event, we will also host our campus pumpkin-decorating contest. A department lunch (for up to 15 people) will be awarded for employee choice and kids’ choice for the favorite pumpkins!

The students will be trick-or-treating at different departments throughout campus. On the day of the event, the children will be split into groups and taken to participating departments for candy or even small prizes. Your department can be as festive or reserved as you want to be. You can decorate your department, dress up in costumes, or it can be as simple as just handing out the candy or prizes. The only requirement is that you, as a department, supply the candy or prizes.

If your department would like to participate in trick-or-treating, please let us know at wicpa@kumc.edu by Friday, Oct. 26, so you can be included in the schedule for the day. Let us know if you will decorate a pumpkin for the competition by Friday, Oct. 19. They will be distributed Tuesday, Oct. 23, and you’ll have until noon Tuesday, Oct. 30, to complete them. Deliver your decorated pumpkins to Public Affairs by that time.

On Wednesday, Oct. 31, the pumpkins will be displayed in the Sunflower Room for employee judging. Stop by and cast your vote by noon.

We also need trick-or-treat tour guides for the event. If you are interested in volunteering for this fun task, please contact Jennifer Eaton at jeaton2@kumc.edu or 293-3534.

---

**United Way**

Our campus United Way campaign is going on now!

Help us meet our goal of 40 percent participation by pledging or donating!

Contact Lilly Dickerson, assistant to the dean, with questions.
We want your stories ... all of them, big and small
Is there a special event happening in your department? Do you know a student who has an interesting hobby or who has made a significant accomplishment?

Are you involved in community outreach? An educational program? A hands-on workshop or training session?

Public Affairs wants to know about any and all of these things. There are a variety of ways we can publicize events and accomplishments in the school, but we can’t promote them if we don’t know about them.

Keep us informed. Drop us an email and tell us what’s happening. We'll share the good news.

We support you
Public Affairs offers a variety of items to support your events. Do you need a logo banner to showcase at your fair booth? We have a few. Are you serving cold drinks at an event and want something sleeker than a cooler? You can borrow one of our stainless steel beverage tubs.

Visit our website to check out photos of available items and fill out an event support request form to reserve what you need.

You can also request an appearance by our energetic and fun Baby Jay. Loved by adults and kids alike, Baby Jay will kick your event up a notch. All Baby Jay appearances must have a direct connection to KUSM-W.

How can we help?
All of us here in Public Affairs are available to assist you in a number of ways when it comes to communication, public relations and marketing.

Need something edited or proofread? We can do it. Have a speech to write? We can help. Need a flyer designed? Let us assist you.

We can also answer questions you may have about branding, including logo use. As you may know, there are specifics when it comes to that area. If you have a project that is using a logo, run it by our office and we’ll help keep you out of trouble.

Basically, contact us for any old thing. We’ll do our best to help you out.

wicpa@kumc.edu

Emark
The new issue of Embark is now available! This edition features stories about our awareness campaign, opioid addiction, the ACE curriculum and more.

Read it online or pick up hard copies in the Main Lobby or Public Affairs.
Open enrollment for 2019
Information about open enrollment for 2019 and the State Employee First Look at Webinar schedule are posted on the State Employee Health Plan website. Webinars began in late September. This year will be an ACTIVE ENROLLMENT and all employees need to make their health elections during open enrollment in the Membership Administration Portal (MAP). Watch for more details coming soon. Visit the SEHP website to request a printed 2019 enrollment booklet. The 2019 rates are now available on the state site, so feel free to get a head start on acquainting yourself with those.

October is also open enrollment for optional life insurance, offered through KPERS and underwritten by The Standard. For more information, check out the open enrollment flyer for full details. To enroll, please contact HR for a paper enrollment form.

Did you know?
Looking for a copy of your position description? Simply log into the PeopleAdmin system, click on My Profile, then click on the Position Descriptions tab. If your PD looks out of date or incomplete, talk to your supervisor about making some updates.

Career opportunities
Visit https://jobs.kumc.edu to view current job openings for all KUMC campuses. To view a list of INTERNAL ONLY job openings, current employees may log in with their KU network ID/password, select Search Jobs, then select Search Internal Jobs.
For all the latest news stories and press releases about KUSM-W, visit our news page.

The Library has added a new desk bike on the lower level. It is located next to the stand-up desk. Check it out!
Safe Zone training
KUMC affirms our commitment to a diverse and inclusive community in many ways. You can contribute to building this inclusive learning environment by joining us in the Safe Zone program.

The two-hour Safe Zone training features guest facilitator Ryan Gove, KUMC director of student life, and will encompass education around the issues of sexual orientation and gender identity. Participants will discuss respectful terminology, transgender concerns, and other topics that will help them become better allies. Upon completion of training, participants may choose to display a Safe Zone logo in their office or workspace. When people see a person who has displayed the Safe Zone logo, they know that this person has self-identified as a supporter and advocate of the Lesbian, Gay, Bisexual, and Transgender community. They can expect this person to respect their confidentiality, provide them with resources, and listen.

10 a.m.-noon
Friday, Oct. 26
Meadowlark Room
RSVP through the KUSM-W events calendar
This training is open to any interested members of the campus community.
Employment anniversaries
Congratulations on your employment anniversary. We’re glad you’re here.

Grand Rounds are in the McNamara Center (Third Floor Education Center) at Via Christi Regional Medical Center-St. Joseph Campus, 3600 E. Harry St., Wichita, Kansas. Lunch is at 11 a.m. and the speaker is from 11:30 a.m.-1 p.m.

Tuesday, Oct. 9
Susan Swedo, M.D.
Senior investigator and head of Section on Behavioral Pediatrics
National Institute of Mental Health, Bethesda, Maryland
“An Update on PANS and PANDAS: Moving Beyond the Controversy to Diagnosis and Treatment”

Tuesday, Oct. 23
A. John Rush, M.D.
Adjunct professor, Department of Psychiatry & Behavioral Sciences
Duke School of Medicine, Durham, North Carolina
“Treatment Resistant or Difficult to Treat Depression? Clinical and Conceptual Changes”

Learn more about Grand Rounds.
Turn a Page. Touch a Mind.® collecting children’s books
We are collecting new and gently used children’s books for the Turn a Page. Touch a Mind.® reading program. Books for children of all ages are needed. If you have books to donate, drop off in Public Affairs or at the KU Wichita Pediatrics Clinic at Carriage Parkway.

Before donating books, review these guidelines.

If you have any questions contact Hannah Kersting at hannah.kersting@wesleymc.com.

Pediatric Grand Rounds are from noon-1 p.m. at Wesley Medical Center, Koch B/C.

Seasonal reminders!
During the holiday season, it’s always a good idea to brush up on the university’s policies regarding gifts and holiday cards.

Guidelines for ACCEPTING gifts and meals
Personal gifts, regardless of value, from vendor representatives to all KUSM-W personnel are prohibited, including, but not limited to cash, gift cards, meals/food, pens, notepads and tickets or vouchers for entertainment events.

Review the complete vendor relations policy.

Guidelines for GIVING gifts
Giving gifts funded with state funds is prohibited and funded with private funds is strongly discouraged. Please contact Tyann Orton, assistant dean for finance, Administrative & Financial Services, at 293-3552 before you give any gifts or if you have questions.

Holiday cards
Please follow the following guidelines if your department will be sending out holiday cards:
- Cards must be purchased with private funds (state funds cannot be used).
- If Public Affairs will be creating the cards, the invoice must be paid with private funds (state funds cannot be used).
- Postage to mail the cards must be purchased with private funds (state funds cannot be used).
- Cards cannot be mailed using the KUSM-W bulk mail permit (which is paid with state funds).
- Cards should be taken to the post office and not processed through the mailroom.
Join KUSM-W at the Let’s Move, Kansas 5K run/1.5 mile walk on Saturday, Oct. 20, at Sedgwick County Park in Wichita. To register go to www.LetsMoveKansas.com.

Join the KUSM-W team, or start your own team, for $3 off per registrant. Medical students can use the discount code STURES18 and receive an additional $5 off!

KU School of Medicine-Wichita is the presenting sponsor of Let’s Move, Kansas. The event aims to promote an active, healthy lifestyle for all Kansans. The proceeds for the event benefit the Kansas Academy of Family Physicians-Foundation.

Join us in motivating Kansans to move, and support the future of family medicine!

Walk at lunch at Botanica
Health ICT has partnered with Botanica to offer a Walk at Lunch Joint Use Agreement to registered worksites, which allows employees to walk through Botanica’s beautiful gardens for only $1 from 11 a.m.-1 p.m. Monday-Friday. This Walk at Lunch opportunity is available now through Nov. 16.

KU School of Medicine-Wichita has registered as a worksite so this opportunity is open to the campus community, including MPA employees. Simply pay at the front desk and mention that you are there for the Walk at Lunch program and that you are with KU (showing your KU ID badge is ideal but not required). Entry costs are the responsibility of each individual.

Additionally, the Garden Cafe at Botanica is offering a 10 percent discount on menu items to worksite participants during those times.
Grant awards for resident travel
The KUSM-W Office of Research will provide funds for resident travel to present research at a professional conference. Up to $2,500 may be requested.

Funds are also available for open access and publication fees. Up to $1,500 may be requested.

These funds are provided by grants to WCGME from the Kansas Biosciences Authority. View the travel grant application.

Poster printing
Need a poster printed? Send it as a PowerPoint slide (preferred) or Adobe PDF to kuposters@kumc.edu with size requirements and date needed. Please note: poster should be sized to specifications before it is sent; we will not resize or trim posters.

Posters should be sent for review to Public Affairs at wicpa@kumc.edu before printing to ensure that branding guidelines are met.

Please have PowerPoint/PDF files to us at least 48 hours in advance.

Grant award for resident pilot research
This award will provide funding to residents and their mentor faculty for resident research projects. Award amount is up to $5,000 for one year. See the RFP for more details.

There is additional funding for resident travel and open access and publication fees.

27th Annual Research Forum
Thursday, April 25, 2019
KU School of Medicine-Wichita
Wanted: Research study participants

Many research opportunities are available. To make a referral into a clinical trial for early Alzheimer's disease, pediatric/adolescent/adult depression, schizophrenia or Type 1 diabetes, call 316-293-1833 or email clinicaltrialunit@kumc.edu.

More information and a study interest form can be found on our website.

KU Wichita Center for Clinical Research needs participants with a diagnosis of depression for a research study. Volunteers may be eligible to participate if they are at least 18 years old and have treatment resistant depression.

Participants who may qualify should have experienced depression symptoms, be taking an antidepressant medication, and able to provide written consent to participate in the study.

Study participants will be compensated for time and travel. For information call 316-293-1833.

KU Wichita Center for Clinical Research is conducting a research study for children and adolescents with major depression disorder (MDD). Volunteers may be eligible to participate if they are 7-17 years of age and have been diagnosed with major depressive disorder.

Participants and their parent/caregiver will attend 13 appointments over 18 weeks. There is an extension study available for these participants. If the medication is helping the participant’s depression, the medication will be provided for an additional 24 weeks.

Study participants will be compensated for their time and travel. For more information call 316-293-1833.

KU Wichita Center for Clinical Research needs participants with a diagnosis of mild dementia due to Alzheimer's disease. Volunteers may be eligible to participate if they are 50-85 years of age, diagnosed with mild dementia, and have a caregiver who is able to attend all office visits with the participant.

Study participants will be compensated for their time and travel. For more information call 316-293-1833.

KU School of Medicine-Wichita researchers are looking for individuals 45 years and younger with a parent, brother, sister or child with Type 1 diabetes or individuals age 20 years and younger with a niece, nephew, aunt, uncle, grandparent, half-brother, half-sister or cousin with Type 1 diabetes, to participate in diabetes testing at no charge.

TrialNet offers a blood test that can identify increased risk for Type 1 diabetes up to 10 years before symptoms appear. This test looks for certain markers in the blood (called autoantibodies) that signal an increased risk for the disease.

Study participants will be compensated for their time and travel.

If you are interested or want more information, contact Lisa Chrisman, recruiter, at lchrisman2@kumc.edu or 293-1833.

Rural Kansas photography contest

It’s time again for Kansas shutterbugs to show the beauty of the state captured through their lenses. Submissions for the 13th annual Rural Kansas Photography Contest will be accepted through Oct. 21. The contest is open to Kansas residents and individuals who work in Kansas ages 18 and older.

New this year, Rural Health Education & Services (RHES) is excited to partner with Kansas Country Living magazine. The Kansas Country Living editorial team will choose from all of the entries a $100 grand prize-winning photograph that will be featured on the January 2019 cover of the magazine.

Complete contest rules, prizes and a link to the online entry form for submissions are available at www.ruralhealth.kumc.edu.

Categories:
1. State of the Storm—Capture the Kansas weather in all its glory.
2. Kansas Landscapes—Wow us with a beautiful Kansas landscape of any season.
3. Health Care Heroes—Focus on a health care hero in your community. Along with the photo, provide a few sentences on why this health care hero has earned his/her cape.
4. Friday Night Lights and Weekend Highlights—People in action! Give us a glimpse into what life is like in Kansas during the down times.
5. Wildlife and Critters—Fuzzy, furry, creepy or crawly, we love them all.
6. Annual Winter Holiday Video Card—Have your winter scenes showcased in the RHES annual winter holiday video card.

Wichita Business Journal has announced the 2018 list of Best Doctors. We’re proud to see that nearly all are KU School of Medicine-Wichita faculty members. Here are the honorees from the Department of Radiology.

Peripheral Arterial Disease research study
Do the following describe you?
- Overweight or obese
- Age 50 or older and English speaking
- Buttock, thigh or calf muscle cramping while walking
- Difficulty walking without frequently stopping
- Have 24-hour access to a cellphone

If so, you may have poor leg circulation and may be eligible to participate in this study. You will be compensated for your time and effort.

We are conducting a study at KU School of Medicine-Wichita that focuses on overweight/obese adults that have Peripheral Arterial Disease (PAD). To learn more about this study, please call 316-293-2687.

Cancer Connections: A free wellness program for cancer survivors and thrivers
Are you wondering how to work toward wellness after a diagnosis of cancer? Cancer Connections gives you access to experts providing you with evidence-based information to help you navigate your survivorship journey. The program offers one-hour sessions, each devoted to a specific topic. This program is offered virtually, so you can connect from your home or at a local organization that is hosting the program. This program is designed for survivors/thrivers of all types and stages of cancer. Sessions WILL NOT cover information regarding specific treatments for cancer. To learn more about this FREE program or to register, contact Judy Johnston at jjohnsto@kumc.edu. A link to join and program materials will be emailed to those who register.

Session schedule
All sessions are from 6-7 p.m.

**Physical Activity After Cancer**
Thursday, Oct. 18
Lianna Fry, Livestrong at the Y

**Long-term Effects of Cancer Treatment**
Thursday, Nov. 1
Jennifer Klemp, Ph.D., MPH, M.A.

**Sex and Intimacy After Cancer**
Thursday, Nov. 15
Kelli Netson-Amore, Ph.D., ABPP-CN
Lisette Jacobson, Ph.D., research assistant professor, was awarded a grant in the amount of $626,015 involving the national Diabetes Prevention Program (DPP) coupled with breastfeeding support to help overweight pregnant women lose weight postpartum, improve blood sugar levels and blood pressure, and increase duration of breastfeeding their infant. Dr. Jacobson will conduct a pilot randomized controlled trial with this at-risk population, working closely with health care providers at Via Christi Hospitals Wichita, Inc., and Kearny County Hospital in Lakin, Kansas. Findings will be used to conduct a larger study that can appropriately answer the question about the role of a combined DPP-breastfeeding program to motivate weight loss and reduce the risk of developing type 2 diabetes after pregnancy among this population.
West Gallery
“Student Body of Work”
Selections of artworks by current medical and pharmacy students from our campus
Oct. 26-Dec. 31

Join us at the Final Friday opening reception from 5-7 p.m. Friday, Oct. 26. Complimentary wine and snacks will be served.

Mixed media
Sept. 28-Nov. 30

For more information about the William J. Reals Galleries of Art, or if you or someone you know is interested in scheduling an exhibit, contact Jennifer Eaton at 293-3534 or jeaton2@kumc.edu.

Best Doctors

Wichita Business Journal has announced the 2018 list of Best Doctors. We’re proud to see that nearly all are KU School of Medicine-Wichita faculty members. Here are the honorees from the Orthopaedics department.

Bruce Buhr
volunteer associate professor
Steven Howell
volunteer associate professor
Unconscious bias training
Unconscious bias is mental associations without awareness, intention or control. These associations often conflict with our conscious attitudes, behaviors and intentions. In this workshop, we will identify how our individual backgrounds and the processes of the unconscious mind can impact critical decisions. We will discuss strategies for practicing more conscious awareness as individuals and as team members in order to make better decisions in patient care, in our organizations and in other important areas.

Join the campus community for one of the open sessions from 9-11 a.m. Wednesday, Nov. 7, or 1-3 p.m. Monday, Dec. 10. Registration is required.

Or, contact Julie Galliart at jgalliart@kumc.edu to schedule a special training for your department, team or committee.

Women’s leadership event: Graceful Self Promotion
A 30-second elevator speech is an important tool for any faculty member. Having a clear, concise message about your goals and experience ready to deliver at a moment’s notice could open doors to new research opportunities, committee work, and other important leadership development opportunities. Join a group of female faculty leaders from Wichita and Kansas City to hear their success in using this tool, and work in small groups to develop and practice your own graceful self-promotion.

Friday, Oct. 19
Noon-1 p.m.
Lunch provided
Email jgalliart@kumc.edu to RSVP and for location information.

Academy of Medical Educators fall event
Professor Molly Cook, M.D., University of California San Francisco, will present “Five key concepts from the theoretical literature” for the plenary. Professor Scott Moser, M.D., Department of Family & Community Medicine, will lead the workshop, “Aren’t all medical students above average? A workshop on clinical assessment,” following the plenary.

Friday, Nov. 9
Noon-4 p.m.
Roberts Center Conference Room
Email jgalliart@kumc.edu to RSVP.

ACGME milestones update
Laura Edgar, Ed.D., CAE, executive director for milestone development at the ACGME, will be in-person at KUSM-W to provide a milestones update.

Wednesday, Nov. 14
7-9 a.m.
Sunflower Room
Wichita Business Journal has announced the 2018 list of Best Doctors. We’re proud to see that nearly all are KU School of Medicine-Wichita faculty members. Here are the honorees from the Department of Obstetrics & Gynecology.

- Carl Christman, volunteer assistant professor
- Arthur DeHart, volunteer assistant professor
- Jed Delmore, professor
- Ed Feuille, Jr., volunteer assistant professor
- Kurt Kauffman, volunteer assistant professor
- Anna Stork-Fury, volunteer assistant professor
- Patricia Wyatt-Harris, volunteer assistant professor

Congratulations to KU School of Pharmacy-Wichita on their winning Spirit Week door décor! Their photo received the most “likes” on our Facebook page during the competition. Thanks to everyone who participated. They were all great! View the photo album.

Richard Steinberger, volunteer assistant professor
Michael Varenhorst, volunteer instructor
William Waswick, volunteer assistant professor
KU School of Medicine-Wichita's Department of Surgery recently offered a hands-on Surgery Skills Lab to first-, second- and third-year surgery residents, who had the unique opportunity of using pig hearts to practice placement of an aortic valve. Residents who participated in the lab, which took place in September at Via Christi Hospital St. Francis, were guided by Jeff Patton from Edwards LifeSciences and Brett Grizzell, M.D., cardiothoracic surgeon who is a volunteer assistant professor and KUSM-W alumnus. Dr. Grizzell and his OR team assisted residents in the steps and anatomy involved in the surgical procedure.

“I want to thank Dr. Grizzell and Jeff (Edwards) for helping make this possible,” said Marilee McBoyle, M.D., KUSM-W associate professor in Surgery. “The resident evaluations were over-the-top in acknowledgement of the tremendous amount learned and the appreciation for this learning experience.”

To see more photos from this lab, view our Flickr photo album.
