

# DREAM MAKERS

Tailored products. Expert advice. **A better way to bank.**

Mortgage products from Emprise Bank are designed specifically for medical professionals. Combined with our experienced mortgage specialists, you will get the best solution to meet your goals.

Our Professional Mortgage is exclusively available to medical doctors, dentists, optometrists, and veterinarians for new purchases or refinances – with local service. **Up to 100% financing. No Private Mortgage Insurance (PMI). Adjustable rate mortgages and standard fixed rate mortgages (up to 30 years) are available.** Home equity lines of credit are also offered at competitive rates with low origination fees.
