What's Next? Where to live...

You need some direction and that's where I (WE) fit in.....

My name is Tara Novak – I'm a Licensed Realtor in Wichita, KS. I have lived and worked in Wichita for the past 20 years. I am currently raising my family here, and I want everyone to know what a great city Wichita is.

I have been in customer service for the last 20 years, and understand what people need in order to have a great sales experience. I have had an active interest in Real Estate for the last 15 years and have constantly researched the Wichita market, looking for the great deals that are out there.

Residential real estate is such an exciting field to be in. I enjoy assisting buyers and sellers moving on to the next chapter of their lives. I am passionate about my clients getting exactly what they need.

I have partnered with Tyson Bean, a Licensed Real Estate Broker and the two of us make up a dynamic team, specializing in
Residents and Physicians Relocating into or out of the Wichita area.

Whether it's buying, short term/long term leasing or selling real estate, we are committed to providing a solution that fits your housing needs. I look forward to being able to assist you in your buying and selling needs.

Please feel free to contact us with any questions you may have.
