**KUSM-W Family Medicine Residency Program at Wesley**

850 N. Hillside,  
Wichita, KS 67214  
Phone: 316-962-3976  
Fax: 316-926-7184

**Paul Callaway, MD – Program Director; Clinical Associate Professor**  
**Mary Boyce, MD - Clinical Associate Professor**  
**Christopher Ebberwein; PhD - Behavioral Scientist; Clinical Assistant Professor**  
**Jim Hild, DO – Clinical Assistant Professor**  
**David Miller, MD - Clinic Medical Director; Clinical Assistant Professor**  
**Deb Outwater, MD - Clinical Assistant Professor**  
**Ruth Weber, MD, MEd - Associate Program Director; Clinical Assistant Professor**

**Charles Allred, MD - KUSM-W Family Medicine Residency Program at Smoky Hill; Associate Program Director; Clinical Assistant Professor**

Dr. Allred was the program director at Smoky Hill from 1997-2006. He was associate director from 1992-1997. Previously he was in private practice in Council Grove, Kan. and Albuquerque, N.M. He received the Kansas Academy of Family Physicians Exemplary Teacher of the Year Award in the full-time category in 2005. A graduate of Kansas State University and KUSM-Wichita, Dr. Allred completed his family medicine residency at Wesley where he also completed a fellowship in obstetrics. He completed the National Institute for Program Director Development fellowship.

**Sheryl Beard, MD - , KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

A graduate of KU and KUSM-W, Dr. Beard completed her residency at Via Christi. She was on active duty in the Air Force stationed at McConnell AFB and in Iraq. Dr. Beard has been in private practice and has worked as an emergency physician. She is a volunteer physician at Guadalupe Clinic. Her clinical interests include children's and women's health.

**Mary Boyce, MD - KUSM-W Family Medicine Residency Program at Wesley; Clinical Associate Professor**

Dr. Boyce received her undergraduate and medical degrees from the University of Kansas. She is a graduate of KUSM-W Family Medicine Residency Program at Wesley. She is a Fellow of the American Academy of Family Physicians. Dr. Boyce received the Outstanding Family Medicine Teacher of the Year award at KUSM-W Family Medicine Residency Program at Wesley in 1997, 1998, 2003 and 2007. Dr. Boyce works as a member of the hospital's child protection team and helped develop the Sedgwick County protocol for the evaluation of children removed from homes where methamphetamine has been manufactured. She has also participated in the Kansas Alliance for Drug Endangered Children.

**Paul Callaway, MD – Program Director, KUSM-W Family Medicine Residency Program at Wesley; Clinical Associate Professor**

Dr. Callaway is a graduate of Southwestern Oklahoma State University and the University of Oklahoma School of Medicine. He completed his residency at KUSM-W Family Medicine Residency Program at St. Joseph Medical Center. He was in private practice in Duncan, Okla., for 10 years. Dr. Callaway was Associate Director of the KUSM-W Family Medicine Residency Program at Via Christi before

becoming Program Director at Wesley Family Medicine Residency in 2001. He enjoys teaching procedures and gynecology and spends a good deal of time instructing residents in the area of cervical dysplasia, and teaching LEEP techniques. He is also a faculty member of the Frontline Diabetes Program which is a national curriculum project for residents in family medicine. He was the KAFP Exemplary Teacher of the Year in the Full time category in 1999. He received the Thor Jager MD Award at the KUSM-Wichita in 2000 in recognition of his representation of the “complete physician;” and the KUSM-W Jayhawker MD Award in 2005. Dr. Callaway spent four years on the Board of Directors of the Association of Family Medicine Directors (AFMRD). In 2009, he received the Zervanos Award from the AFMRD for his contributions to family medicine education.

**Kara Cox, MD, Assistant Director, Sports Medicine Fellowship, KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Cox is a graduate of Friends University, KUSM-W and the Via Christi Family Medicine Residency Program and the Via Christi Sports Medicine fellowship. Musculoskeletal injuries and health care of the athlete are Dr. Cox’s clinical interests.

**Amy Curry, MD, Clinical Assistant Professor**

Dr. Curry is a graduate of Wichita State University and KUSM-Wichita. She completed her family medicine residency at Via Christi. Dr. Curry was in private practice in Wichita. Her clinical interests are women's health issues.

**Sylvester Domme, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Domme received his undergraduate degree from Washburn University, and his medical degree from the University of Kansas School of Medicine. He completed his residency at the KUSM-W Family Medicine Residency Program at St. Francis Regional Medical Center.

**John Dorsch, MD - Associate Professor; Director of Rural Preceptorships, Subinternships, and Special Topics**

Dr. Dorsch graduated from Fort Hays State University and the KU School of Medicine. He completed his residency at KUSM-W Family Medicine Residency Program at Wesley. He was in private practice in Hays, KS and Associate Director of the KUSM-W Family Medicine Residency Program at Via Christi before joining the central department faculty in 2000. He directs the fourth year student Rural Preceptorships, Subinternships, and Electives. He was elected to Alpha Omega Alpha Honorary Medical Fraternity in 1995. He received the Via Christi Victor North Outstanding Family Medicine Teacher Award in 1990, 1996 and 1999, and Wesley Outstanding Family Medicine Teacher in 2001, 2005 and 2009, the first faculty member to receive the Teacher of the Year Award at two different residency programs. Dr. Dorsch received the KAFP Exemplary Teacher Award, part-time category, in 1999. He was the KUSM-W Student Doctoral Marshal in 2006. He was inducted into the KUMC Chapter of the Gold Humanism Honor Society in 2007. Each year he oversees medical students who do sports physicals at local schools.

**Maurice Duggins, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Duggins received his undergraduate degree from Sterling College, Sterling, Kan., and his medical degree from KUSM-Wichita. He completed his residency at KUSM-W Family Medicine Residency Program at St. Joseph Medical Center. He joined the faculty at Via Christi in 2003. Dr. Duggins was in private practice in Wichita and was the medical director at the Center for Health and Wellness before joining the Via Christi faculty. His special interests are lipids, erectile dysfunction, diversity, and dementia.

**Christopher Eberwein, PhD - Behavioral Scientist; KUSM-W Family Medicine Residency Program at Wesley; Clinical Assistant Professor**

A graduate of Notre Dame University, he completed a Masters in Education in Community Counseling at Kent State University and a Doctorate in Counseling Psychology at the University of Kansas. After moving to Wichita in 2000, Dr. Eberwein worked for Comcare until 2003 when he began a private practice. Dr. Eberwein has also worked in various roles in the Veterans Administration in both Kansas

City and Wichita. Professional interests include coping with stress and anxiety, mind-body health, and career development.

**Robert Freelove, MD – Program Director; KUSM-W Family Medicine Residency Program at Smoky Hill; Clinical Assistant Professor**

Dr. Freelove became the program director at Smoky Hill on July 2, 2006. He joined Smoky Hill as Associate Director in 2003. Dr. Freelove received his undergraduate and medical degrees from the University of Kansas. He completed his family medicine residency at Smoky Hill. In 2002, Dr. Freelove was awarded one of twenty Bristol-Myers-Squibb/AAFP Awards for Excellence in GME from the American Academy of Family Physicians. He has special interests in children's health care and sports medicine.

**Leslie Greenberg, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Greenberg received her undergraduate degree from Northwestern University, Evanston, Ill. and her medical degree is from the University of Nevada School of Medicine, Reno. She completed her residency at Via Christi. Dr. Greenberg previously practiced in Muncie, Ind. where she was associate director at the Ball Memorial Hospital Family Medicine Residency Program. Dr. Greenberg is the Advanced Life Support for Obstetrics (ALSO) Advisory Faculty and Course Director. Her special interests are endoscopy, obstetrics and pediatrics. She received the Via Christi Outstanding Family Medicine Teacher in 2001 and the KAFP Exemplary Teacher of the Year - part time category in 2004.

Dr. Greenberg is married to Dr. Mark Stovak. She enjoys her family, arts and crafts and outdoor sports.

**Jim Hild, DO – KUSM-W Family Medicine Residency Program at Wesley; Clinical Assistant Professor**

Dr. Hild received his undergraduate degree from Kansas Newman University and his medical degree from Des Moines University College of Osteopathic Medicine. He completed his residency at Wesley. His clinical interests include geriatric medicine.

**Lary Hill, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Hill received his undergraduate and medical degrees from the University of Kansas. He completed his residency at KUSM-W Family Medicine Residency Program at St. Joseph Medical Center. Dr. Hill supervises the geriatrics rotation and the geriatric clinic at Via Christi. He has served as District Representative, Chairman of the Legislative Committee, and Chairman of the Long Range Planning Committee of the Kansas Academy of Family Physicians (KAFP). Currently he is the Residency Representative to the KAFP Board of Directors. He was a member of the Board of Trustees, Treasurer, and President of the KAFP Foundation. His special interests are geriatrics, pediatrics, colposcopy and minor office surgery.

**Sarah Houssayni, MD – KUSM-W Family Medicine Residency Program at Via Christi; Clinical Instructor**

Dr. Houssayni received her undergraduate and medical degrees from the American University, Beirut, Lebanon. She completed her pediatrics residency at KUSM-W.

**Rex Keith, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Keith received his undergraduate and medical degrees from the University of Kansas. He completed his residency at the KUSM-W Family Medicine Residency Program at St. Francis Regional Medical Center. He chairs the Continuing Medical Education Committee, Medication Safety Committee and the Glycemic Control Committee at Via Christi Regional Medical Center. Areas of clinical interest include OB ultrasound, pain management and medical quality and safety.

**Paula Knabe, DO - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Knabe is a graduate of Wichita State University and the University of Health Sciences in Kansas City, Mo. She has practiced in Muskegon, Mich. where she was on the faculty at the Michigan State University College of Osteopathic Medicine. She is the Osteopathic Manual Manipulation Clinic supervisor and assists in the Dysplasia Clinic at Via Christi.

**Robert Kraft, MD - Associate Program Director; KUSM-W Family Medicine Residency Program at Smoky Hill, Assistant Clinical Professor**

Dr Kraft joined Smoky Hill as Associate Director in 2004. He received his undergraduate and medical degrees from the University of Kansas. He completed his residency at the KUSM-W Family Medicine Residency Program at Smoky Hill. During medical school, he was inducted into the Alpha Omega Alpha Honor Society. Dr. Kraft worked in the KUMC research lab, studying effects of low-dose dopamine on diaphragm function. Special medical interests include OB ultrasound and vasectomy. Dr. Kraft completed a faculty development fellowship through the Michigan State University College of Human Medicine in May of 2007.

**Richard Leu, MD – KUSM-W Family Medicine Residency Program at Via Christi; Clinical Associate Professor**

Dr. Leu received his undergraduate and medical degrees from the University of Iowa. He completed his residency at St. Francis Family Medicine Residency Program, Peoria, Ill, where he was the Program Director from 1986-1990. He is co-director of the Via Christi Sports Medicine Clinic. Dr. Leu has a CAQ in Sports Medicine. He is a team physician for Newman University, Wichita State University, Wichita Thunder and Southeast and East high schools. His clinical interests include obstetrics, sports medicine and dysplasia. Dr. Leu received the Via Christi St. Luke’s Physician Recognition Award on Oct. 26, 2003. He was selected for demonstrating the core value of “Community”. Dr. Leu served as program director at Via Christi Family Medicine Residency Program from 1990-2009.

**Doug Lewis, MD - KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Lewis is a graduate of MidAmerica Nazarene University and the KU School of Medicine. He completed his residency at the KUSM-W Family Medicine Residency Program at St. Joseph Medical Center. He has been in private practice in Osawatomie, KS and served as a hospitalist in Wichita.

**David Miller, MD - Clinic Medical Director; KUSM-W Family Medicine Residency Program at Wesley; Clinical Assistant Professor**

Dr. Miller received his undergraduate and medical degrees from the University of Missouri-Columbia. He is a graduate of KUSM-W Family Medicine Residency Program at Wesley. He joined the Wesley faculty after 16 years in private practice in Wichita. He received the Thor Jager MD Award in 2004 in recognition of his representation of the “complete physician,” the Wesley Family Medicine Teacher of the Year in 2005 and 2008, and the HCA Frist Humanitarian Award in 2006. His areas of special interest within family medicine include dermatology, orthopedics, and the doctor-patient relationship.

**Scott Moser, MD – Professor; Vice Chair for Education**

Dr. Moser is a graduate of Kansas State University and Baylor College of Medicine, Houston, TX. He completed a family medicine residency at the United States Air Force Medical Center at Scott Air Force Base, IL, and was stationed at Offutt AFB, Omaha, NE for three years where he was an Assistant Clinical Professor at Creighton University. He was in private practice in Newton, KS before joining the faculty at KUSM-W Family Medicine Residency Program at Wesley. He joined the central department in 1998. Dr. Moser was the Wesley Outstanding Family Medicine Teacher in 1996 and the KAFP Exemplary Teacher of the Year in the full time category in 1997. He received the KU School of Medicine Chancellor's Distinguished Teaching Award for Excellence in Teaching in 2000, the KU Ruth Bohan Teaching Professor Award in 2002, and the KU W.T. Kemper Fellowship for Teaching Excellence in 2005. Among his special interests are allergy, pulmonary medicine, ADHD, and performance improvement. He is the Family Medicine Interest Group advisor and the JayDoc Clinic advisor.

**Doug Neef, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Neef received his undergraduate degree from the University of Kansas and his medical degree from the University of Missouri, Columbia. He completed his residency at Wesley. Dr. Neef was in private practice in Humboldt, Kan. He received the Via Christi Victor J. North Outstanding Family Medicine Teacher of the Year Award in 2005 and 2006. He teaches geriatrics with a special interest in dementia and is the noon conference coordinator. He volunteers at the JayDoc Community Clinic.

**Jerry Old, MD - - Associate Professor; Director of Geriatric Medicine**

Dr. Old is a graduate of KU, KUSM-KC and the KUSM-KC Family Medicine Residency Program. He was in private practice for 25 years in Arkansas City then joined the faculty in the Department of Family Medicine at KUSM-KC for four years. He is also the corporate medical director for Hospice Care of Kansas. While in private practice, he was a preceptor for medical students and residents. Dr. Old received the KUSM Rural Preceptor Award in 1984 and 2000; the Student Voice Award at KUSM-KC in 2004 and 2005; the Most Supportive Faculty Award in 2004; and the Nason Family Award for excellence in Family Medicine education award in 2004. He is the author of *Vintage People: The Secrets Of Successful Aging* and *A Practical Guide To Palliative Care*. He has been a reviewer for the *Annals of Family Medicine*. His clinical interests are geriatrics, end-of-life issues, hospice and palliative care.

**Deb Outwater, MD - KUSM-W Family Medicine Residency Program at Wesley; Clinical Assistant Professor**

Dr. Outwater received her undergraduate degree from Creighton University Omaha, Neb., and her medical degree from the University of Kansas School of Medicine. She completed her residency at KUSM-W Family Medicine Residency Program at St. Francis Regional Medical Center. Previously she was in private practice in El Dorado, Kan. Dr. Outwater has a special interest in women and children's health.

**Scott Owings, MD - Associate Program Director; KUSM-W Family Medicine Residency Program at Smoky Hill; Clinical Assistant Professor**

Dr. Owings graduated from Pittsburg State University, KUSM-Wichita and the Smoky Hill Family Medicine Residency Program. As a medical student, he was inducted into the Alpha Omega Alpha Honor Society, and he was Chief Resident during his residency. He joined Smoky Hill Family Medicine as Associate Director in 2005. His areas of medical interest and educational emphasis include sports medicine, ENT including nasopharyngoscopy, dermatology, colonoscopy, and practice management. Dr. Owings has a particular interest in teaching hospital and office based procedures. He currently serves as the Medical Education North Central Network Site Director and on the Physician Advisory Board for Salina Regional Health Center.

**D. Brandon Rice, MD - Assistant Director, Informatics MD; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Rice is a graduate of KUSM-Kansas City and the KUSM-W Family Medicine Residency Program at Via Christi. He works in the Information Technology Department at Via Christi giving a physician's perspective into developing and implementing computer technology into systems that physicians use, particularly in the area of electronic medical records.

**Timothy Scanlan, MD, MBA – Interim Program Director, KUSM-W Family Medicine Residency Program at Via Christi; Clinical Associate Professor**

A graduate of St. John's University, Collegeville, MN, Dr. Scanlan received his medical degree from the University of Minnesota. He completed his family medicine education at St. Mary's Hospital, Minneapolis, MN and received an MBA from Wichita State University, Wichita KS. Dr. Scanlan was in private practice in Melrose, Minnesota and then became Associate Director at the St. Francis Hospital Family Medicine Residency, Wichita, KS, the antecedent to Via Christi Family Medicine Residency Program. He served as Program Director at the Smoky Hill Family Medicine Residency Program, Salina KS. He has practiced Addiction Medicine in Wichita for over 25 years. He has been recognized as the 2002 Kansas Academy of Family Physicians Exemplary Teacher of the Year, the Kansas Public Health Leadership Institute Scholar, and the Pi Alpha Society (National Honor Society for Physician Assistants) Leadership Kansas Award.

**Allen Schmidt, LCSW, LCMFT- Behavioral Scientist; KUSM-W Family Medicine Residency Program at Via Christi; Teaching Associate**

A graduate of Tabor College, he completed a Masters in Social Work at the University of Kansas. Mr. Schmidt previously worked at Prairie View, was in clinical private practice and, most recently, was an Employee Assistance Program consultant at Via Christi.

**Don Seery, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Seery received undergraduate degrees from Kansas State University, Manhattan, Kan. and Wichita State University, Wichita, Kan. His medical degree is from the KUSM-Wichita and he completed his residency at KUSM-W Family Medicine Residency Program at St. Joseph Medical Center. Dr. Seery directs the Via Christi procedures rotation. Dr. Seery received the Via Christi St. Luke's Physician Recognition Award in 2005. He was selected for demonstrating the core value of "Vision".

**Marc Stephens, DO, Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Stephens received his undergraduate degree from Greenville College, Greenville, Ill. and his medical degree from the University of Health Sciences College of Osteopathic Medicine, Kansas City. He completed his residency at the KUSM-W Family Medicine Residency Program at Wesley. Previously he was a Clinical Instructor at KUSM-W and was in private practice in Minneola, Kan., Fowler, Kan. and Greenville, Ill. He joined the faculty at Via Christi in August, 2003. His special interests include obstetrics and computers in medicine. He received the Via Christi Victor J. North Outstanding Family Medicine Teacher of the Year Award in 2004, 2007 and 2009.

**S. Todd Stephens, MD - Director of the International Family Medicine Fellowship, KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Stephens is a graduate of Central College in McPherson, Kan. and Greenville College, Greenville Ill. He completed medical school at KUSM-W, and his residency the KUSM-W Family Medicine Residency Program at St. Joseph Medical Center where he served as Chief Resident. He completed a six-month Diploma course in Tropical Medicine and Hygiene from the Institute of Tropical Medicine, Antwerp, Belgium. Dr. Stephens served as a medical missionary in Kenya at Tenwek Hospital for two years and Rwanda at Kibogora Hospital for four years. He received the Via Christi Victor J. North Outstanding Family Medicine Teacher of the Year Award in 2008 and 2009.

**Mark Stovak, MD - Medical Director of Sports Medicine; Associate Director, KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Stovak received his undergraduate and medical degrees from the University of Nevada, Reno Nev., where he was a member of Alpha Omega Alpha and received the Richard Blurton Award for Overall Excellence in Psychiatry and Behavioral Sciences. He completed his residency at the KUSM-W Family Medicine Residency Program at St. Joseph Medical Center and a sports medicine fellowship at Ball State University, Muncie Ind. He is the program director of the Via Christi Sports Medicine Fellowship Program and the director of their Sports Medicine Clinic. He is the Medical Director for Wichita State University Intercollegiate Athletics and team physician for Newman University, the Wichita Thunder professional hockey team, and the Wichita Wild arena football team. He is the medical coordinator for City League Pre-participation Physicals, the Kansas State High School Wrestling Tournament, the Kansas State High School Track & Field Meet and the Wichita Open Golf Tournament. In 2005, he was chosen to be a physician at the Olympic Training Center in Colorado Springs, Colo. He was a member of the U.S. Olympic Committee Medical Staff for the Pan American Games in Rio de Janeiro, Brazil in July 2007 and team physician for the Paralympics, Beijing China in September 2008.

**Scott Stringfield, MD - Associate Director; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Stringfield is a graduate of Kansas State University, KUSM-KC and the KUSM-KC Family Medicine Residency Program. He was in private practice in Lyons, KS. He has twice received the Via Christi Outstanding Family Medicine Teacher Award and received the KAFP Exemplary Teacher Award in the part time category in 1997. He is the Medical Director, serves on the Board of Directors and is the Community Health Rotation Supervisor at the Choices Medical Clinic, Crisis Pregnancy Medical Clinic, Wichita.

**Marshall Walker, DO, - Associate Director; ; KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

Dr. Walker received his undergraduate degree from Emporia State University, Emporia, Kan. and his medical degree from the University of Health Sciences College of Osteopathic Medicine, Kansas City,

Mo. He completed a residency in Otolaryngology at the Naval Regional Medical Center, San Diego, Calif. Previously he was on faculty at the University of Hawaii School of Medicine; Oklahoma University College of Osteopathic Medicine and the University of Health Sciences College of Osteopathic Medicine, Kansas City. He is Associate Director of Medical Education and Internship Director for Via Christi Osteopathic Programs. Dr. Walker directs the ENT specialty clinic.

**Anne Walling, MB, CHB - Professor; Associate Dean for Faculty Development; Director, Standardized Patient Program**

Dr. Walling received her undergraduate and medical degrees from St. Andrew's University, Scotland. She did internships in surgery, medicine, obstetrics, gynecology, and coronary care at Dundee Teaching Hospitals, Dundee, Scotland. Before coming to KUSM-W, she practiced in England and Scotland. Since 1995, she has taught basic science courses in Kansas City as well as her teaching and clinical duties in Wichita. A prolific author and editor/reviewer in her own right, Dr. Walling has also mentored many students, residents, faculty, and practicing physicians in all fields on their publications. She is an LCME site visitor, a Fellow of the Harvard Macy Program for physician educators and a test question writer for NBME. Dr. Walling received the Thor Jager MD Award at KUSM-Wichita in 1992 in recognition of her representation of the "complete physician," the 1993 KUSM Chancellors Award for Distinguished Classroom Teaching, the KUSM Student Voice Award in 2001 and the KUSM W.T. Kemper Fellowship for Teaching Excellence in 2004. In 1995, she was elected to Fellowship in the Faculty of Public Health Medicine of Royal College of Physicians of the United Kingdom. She received the "Larksfield Place Treasure" award, Nov. 15, 2004.

**Ruth Weber, MD, MEd - Associate Program Director; KUSM-W Family Medicine Residency Program at Wesley; Clinical Assistant Professor**

Dr. Weber received her undergraduate and medical degrees from the University of Missouri - Kansas City School of Medicine. She completed her residency at Wesley. She completed a master's degree in Medical Education at the University of Southern California, Los Angeles. Dr. Weber practiced in rural Kansas for 11 years. Dr. Weber was the KAFP Exemplary Teacher of the Year in the full time category in 2004.

**Tracy Williams, MD - KUSM-W Family Medicine Residency Program at Via Christi; Clinical Assistant Professor**

A graduate of K-State and KUSM-W, she completed a family medicine internship in Spokane, WA, and her residency at Via Christi. She also completed Obstetrics and Women's Health fellowship at Women's Hospital, Greensboro, NC.

**Doug Woolley, MD, MPH - Vice Chair for Research; Delos V. Smith, Jr. Professor of Community Geriatrics**

Dr. Woolley received undergraduate and masters degrees from the University of California, Los Angeles. He received his medical degree from the University of California, Davis and completed his family medicine residency at Penn State University College of Medicine, Hershey, Penn. He completed a Master's of Public Health degree at KUSM-Wichita. He is a Fellow of the American Geriatrics Society and has a CAQ in Geriatrics. Before coming to KUSM-Wichita, he was on faculty at East Carolina University School of Medicine and Penn State University College of Medicine. Dr. Woolley received the Kansas University School of Medicine "Primary Care Teacher of the Year" Award in 1997 and was named "Outstanding MPH Graduate of the Year" in 2002 by the Department of Preventive Medicine at KUSM-Wichita. He won first place, in the medical school faculty research category, for his podium presentation of "Mistreatment of Medical Students Based on Their Career Interests" at the AAFP Scientific Assembly, Oct. 19, 2002 in San Diego. Dr. Woolley was invested as the Delos V. Smith, Jr. Professor in Community Geriatrics, Department of Family and Community Medicine, April 15, 2005. He is the Medical Director at Larksfield Retirement Center and Health Care Center, Wichita where he has been honored several times at their annual banquet.
