THE WICHITA CENTER FOR GRADUATE MEDICAL EDUCATION

Our mission is to provide excellence in graduate medical education through a collaborative partnership among the University of Kansas School of Medicine-Wichita, Ascension Via Christi Hospitals, and Wesley Medical Center. We coordinate an organized education program with faculty guidance and supervision of residents to promote safe and appropriate care for patients, while facilitating the resident's ethical, professional and personal development. WCGME employs all residents, providing a competitive salary range and benefits package.

A not-for-profit consortium including:

Benefits

- Health, dental and vision insurance: for the resident and the resident's dependents/family is provided at a reasonable monthly cost to the resident. Two plan options are available.
- Life insurance/accidental death and dismemberment: WCGME pays full premiums for life insurance and accidental death and dismemberment, each equal to the resident's annual salary raised to the next \$1,000 up to \$50,000.
- Professional liability insurance: Each resident is insured with limits as required by Kansas law as well as receives additional coverage provided by the Kansas Healthcare Stabilization Fund.
- Long-term disability: Full payment of premium for long-term disability that covers 60% of monthly earnings up to \$3,000 per month of benefit after 180 days of disability.
- Parking: Permits for free parking at all Wichita hospitals.
- Postgraduate permits and initial DEA registration: Kansas license (Postgraduate Permit) and initial DEA registration are provided at no cost for entering residents.
- Professional Development Allowance (cumulative): WCGME provides a \$1,000/year allowance to obtain full Kansas licensure, renewal of DEA registration and other educational expenses.
- Salary Advance for Moonlighting Insurance: Salary advances are available to purchase malpractice insurance for moonlighting activities approved by the Program Director.
- Salary Advance for Relocation Expense: As a **NEW** resident you are allowed salary advances of up to \$2,000 to assist with relocation expenses.

"KU offers great opportunities to partner with faculty mentors on clinical rotations and research projects that provide a perfect launching platform for future endeavors."

Wajeeha Rizvi, M.D.
Internal Medicine

"I wanted a residency with hands-on training, high academics, and a collegial atmosphere. Excellent balance of autonomy and down-to-earth guidance."

Blake Spitzer, M.D.
General Surgery

Leave

- Vacation (non-cumulative): 3 weeks (15 weekdays)
- Sick leave (cumulative up to a maximum of 30 days): Each resident is permitted 10 days per year with pay for illness or health maintenance needs of the resident or his/her dependents. Additional time off without pay will be considered on an individual basis.
- Parental leave: Leave for the birth or care for a newborn child, adopted or foster child. An expectant mother may take leave before the birth for prenatal care. Available vacation and sick time must be used for parental leave.
- FMLA: Residents who have been employed for at least 12 months and worked at least 1,250 hours qualify for FMLA.
- Education leave (non-cumulative): Residents receive up to 5 weekdays with approval from the Program Director.
- Bereavement leave: Residents will receive paid bereavement leave as approved by the Program Director.
- Additional time off: Additional time off may be granted by the Program Director for Board examinations, recruitment, and other unusual situations.

The need to "make up" additional time to meet requirements of specialty boards will be considered and determined by the Program Director.

"Training in Wichita provides a unique combination of a major university's academic resources with a real-world practice environment.

I couldn't have asked for better preparation for my future career."
